AT IVY CREEK, WE ALLOW THE SERIOUS DESIGNER THE ABILITY TO SPECIFY WHAT THE CABINETRY SHOULD LOOK LIKE.

Serious designers require flexibility to create a one-of-a-kind dream design. Your design creativity is our product catalog. Flexibility is page one of our design catalog. Combined cabinetry, such as one-piece islands, is the norm. Painted cabinetry at no up-charge is standard. You, the designer, dictate drawer size heights, wide stiles at no extra charge, along with an endless array of options at your fingertips. ***You create the masterpiece, we manufacture it.***

IT IS OUR GOAL TO ENSURE YOUR CUSTOMERS ARE COMPLETELY SATISFIED.

Ivy Creek manufactures cabinetry with time-honored techniques and craftsmanship.

Our hand-crafted, hand-finished product reflects our dedication to provide outstanding cabinetry to the design professionals we serve.

YOUR DESIGN WILL BE TRANSFORMED INTO CABINETRY THAT THE END USER WILL CHERISH FOR YEARS.

Ivy Creek is 100% custom cabinetry manufactured to your exact specifications. We select, inspect and produce to defined tolerances and offer the industry's best warranty.

Ivy Creek's passion for cabinetmaking is reflected in every item that leaves our manufacturing facility.

Your creativity defines our company.

Your creativity is our product line.

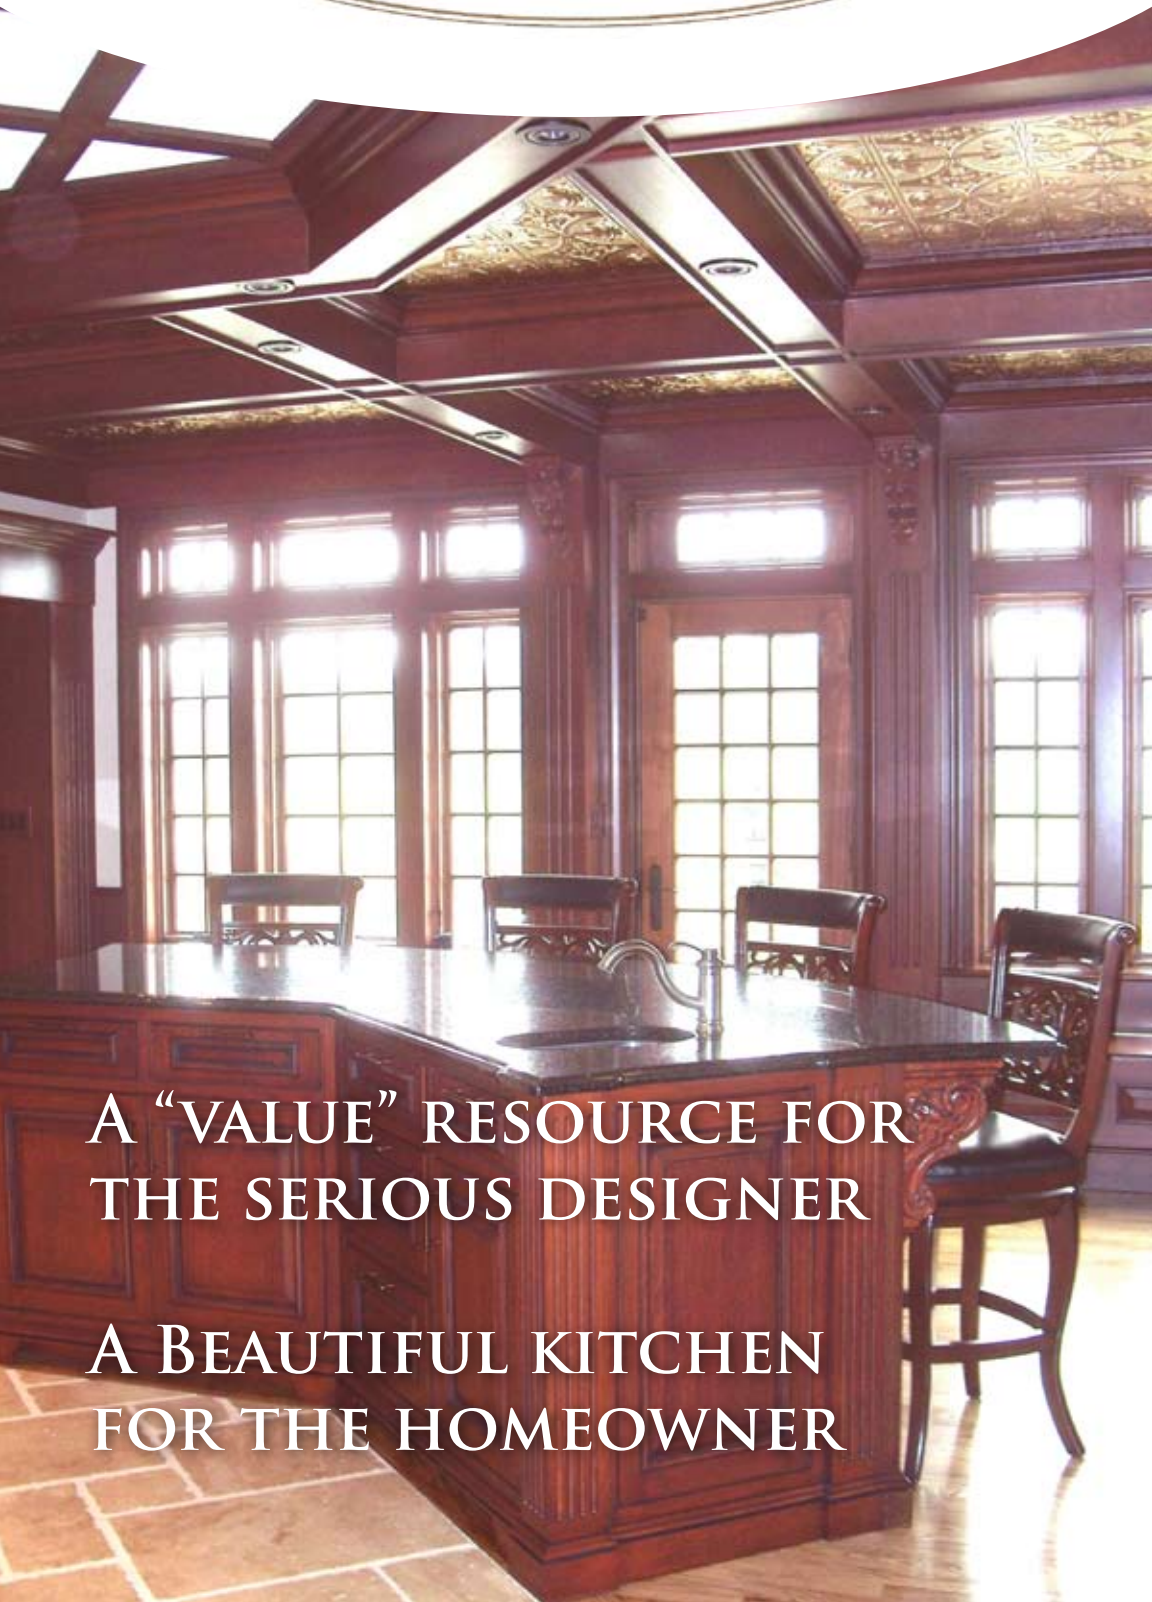

Your creativity is why we pay meticulous attention to detail.
